

Tie It Up

Fuelled Dancefloor

I was standin with my friend
When i saw you walkin in
And my heart started skippin a beat I was tryin to play it cool
But i knew it was true
That nobody would ever compete Well first comes love and then comes First date first kiss
We were checkin off the list
Then you were gettin down on your knee And you didnt have to guess
It was a always a yes
Now theres 2 less fish in the sea Lets set the date
Lets hire a band
Lets cut the cake
Tie up the cans
I love the ring of your name
Youre the ying to my yang
Oh baby lets give it a shot
Every wall needs a frame
Every ball needs a chain
Im talkin about tying the knot
Tie it up Something old, something new
Something borrowed, something blue
And the chairs lined up in the yard The i dos and the kisses
From a miss to a misses
Cant wait for forever to start Lets set the date
Lets hire a band
Lets cut the cake
Tie up the cans
I love the ring of your name
Youre the ying to my yang
So baby lets give it a shot
Every wall needs a frame
Every ball needs a chain
Im talkin about tying the knot Tie it up
Invite the town
Lets raise a glass and lock it down
Tie it up
Forever bound
Yeah, Im fit to be tied down When Mamas kicked off her shoes
And Daddys spinnin from the booze
And the last song is finally sung We can run to the room

Kickstart the honeymoon
Dont it sound like a whole lotta fun? Lets set the date
Lets hire a band
Lets cut the cake
Tie up the cans
I love the ring of your name
Youre the ying to my yang
So baby lets give it a shot
Every wall needs a frame
Every ball needs a chain
Im talkin about tying the knot
Tie it up
