

# Chinese Baby

[Clem Snide](#)

From the corner of my eye  
The Chinese baby cries for you  
It sounds like boo-hoo So rub my stomach for good luck  
To pass that driving test  
It's hard, I know that green means go Your boyfriend's calling you  
To tell you that you're through With love and all the stars above  
Your head, well, it seems to weigh you down  
And it's decorated with a frown From the corner of my eye  
The Chinese baby cries for you  
It sounds like boo-hoo, boo-hoo-hoo  
Boo-hoo-hoo-hoo, boo-hoo-hoo, boo-hoo-hoo-hoo
