

Backdoor Love Affair

ZZ Top

I got to have you baby
Don't you say that you don't care
I got to have you baby
Don't you say that you don't care Any way you want it baby
I'll settle for a back door love affair I call you on the telephone
The party says that you ain't there
I call you on the telephone
The party says that you ain't there When a man asked who's callin'
I said, 'Just tell 'em it's a back door love affair' I got to have you baby
Don't you say that you don't care
I got to have you baby
Don't you say that you don't care Any way you want it baby
I'll settle for a back door love affair
