These Are the Days

Van Morrison

These are the days of the endless summer
These are the days, the time is now
There is no past, there's only future
There's only here, there's only nowOh, your smiling face, your gracious presence
The fires of spring are kindling bright
Oh, the radiant heart and the song of glory
Crying freedom in the nightThese are the days by the sparkling river
His timely grace and our treasured find
This is the love of the one magician
Turned the water into wineThese are days of the endless dancing and the
Long walks on the summer night
These are the days of the true romancing
When I'm holding you oh, so tightThese are the days by the sparkling river
His timely grace and our treasured find
This is the love of the one great magician
Turned water into wineThese are the days now that we must savour
And we must enjoy as we can
These are the days that will last forever
