

# These Are the Days

[Van Morrison](#)

These are the days of the endless summer  
These are the days, the time is now  
There is no past, there's only future  
There's only here, there's only now Oh, your smiling face, your gracious presence  
The fires of spring are kindling bright  
Oh, the radiant heart and the song of glory  
Crying freedom in the night These are the days by the sparkling river  
His timely grace and our treasured find  
This is the love of the one magician  
Turned the water into wine These are days of the endless dancing and the  
Long walks on the summer night  
These are the days of the true romancing  
When I'm holding you oh, so tight These are the days by the sparkling river  
His timely grace and our treasured find  
This is the love of the one great magician  
Turned water into wine These are the days now that we must savour  
And we must enjoy as we can  
These are the days that will last forever
