

Panty Lies

Sonic Youth

Don't just stare, 'cause she's not wearing underwear
Em em em
Oh how rude, at least she's got you're attention square
Em em em
Don't you realize, it's just her disguise
Ai ai ai
Hey! Mum look, no more panty line
Ai ai ai
Shoewa shoewa shoewa
E e e Peek a boo look into the mirror
Now you see her, now you'll be her
Hover your lips, twirl your hair
Pretend you're there, pretend it ain't there
Little girl playing in the closet
First comes walkin', then comes talkin' Peek a boo look into the mirror
She says "Who am I?"
Inside! outside!
Inside, outside, inside, outside, inside, outside
Inside, outside, inside, outside
Shoewa shoewa shoewa
Hmm a hmm a hmm a
Da da da Don't just stare, 'cause she's not wearing underwear
Em em em
Oh how rude, at least she's got your attention square
Em em em
Don't you realize, it's just her disguise
Ai ai ai
Hey! Mum look, no more panty line
Ai ai ai
Eeh ooh ooh ah
Eeh ooh ooh ah
Eeh ooh ooh ah
