I Want It

Guano Apes

Aaa

I'm feeling like an angel
Oh, I'm feeling like a buttercup
We're sailin' around the world
Yeah, I like the kind of irony in my life
Don't you know that I'm your angel?
Don't you know, we are all paranoid?
Don't you know that I am in anger?
Yes, I come out at night and surprise you with our

Right now

(I want it, I want it)

Right now

(I want it, I want it)

Right now

(I want it, I want it)

Right now

I want it right now

I?ll bake you like cookies

Guano around the world

Forty five degrees and we smile

We love what we do and you do what we

Want now

(I want it, I want it)

Right now

(I want it, I want it)

Right now

(I want it, I want it)

Right now

(I want it right now)

Right now

Right now

Right now

Right now

Get up with the storm and running all my life Get up with the storm and running all my life Get up with the storm and running all my life Get up with the storm and running all my life Get up with the storm and running all my life Get up with the storm and running all my life Get up with the storm and running all my life Get up with the storm and running all my life Get up with the storm and running all my life Get up with the storm and running all my life Get up with the storm and running all my life Get up with the storm and running all my life

Right now

(I want it, I want it)

Right now

(I want it, I want it)

Right now

(I want it, I want it)

Right now

(I want it right now)

Right now

Right now

Right now

Right now

(Right now)

We?re here, we?re alive, we?re around

(Right now)

And we act like fools

(Right now)

We?re here, we?re alive, we?re around

(Right now)

And we act like fools come and [Incomprehensible]
