

The Slide (NFS)

Cowboy Junkies

Jesus, sweet Jesus if you're listening
Can you pass me to your pa?
I'm having a hard time understanding
Why he's so cruel and demanding with his love
Darling, sweet darling keep whispering
I'll find you through this din
Sitting and watching
Two flames busy dancing to our love
Grab on to this moment
Inhale it, hold it inside
Savor it's sweetness
Yearn for the slide
Grab on to this moment
Inhale it, hold it inside
Savor it's sweetness
Yearn for the slide
Jesus, sweet Jesus if you're listening
Can you pass me to your pa?
I'm having a hard time understanding
Why he's so discriminating with his love
I'm having a hard time understanding
Why he's so discriminating with his love
With his love, yeah with his love
With his love, yeah with his love
