

U Me Luv

Jahmiel

Explain this, Express mi feelings pan this

Dunwell

Mhmm, Mhmm, Yeah

Girl a you me love, nuh other catty me nuh prefer

Tell har me nah go leave and she say yeah man whatever

She say mi done make it and so much girl wah give me pleasure, but so much mean nothing if me nuh have you
girl me suffer

Cause girl a you me love, you me love, wah kind a other girl you come a tell me bout?

No, no, no girl a you me love, you me love, a nuh words alone mi actions speak loud

Doesn't make no sense me leave cause you're the match for me

Ex's become mi ox because them not for me, and weh me feel for you real different everyone can see

Before the world a run me down, you did believe inna me

I've seen many try to break us, they don't wanna see us together no

People will talk because mi famous, but nuh make chat pressure you

A you me love, nuh other catty me nuh prefer, tell har me nah go leave and she say yeah man whatever

She say mi done make it and so much girl wah give me pleasure, but so much mean nothing if me nuh have you
girl me suffer

Cause girl a you me love, you me love, wah kind a other girl you come a tell me bout?

No, no, no girl a you me love, you me love, a nuh words alone mi actions speak loud

Seems like i'm losing you, that's how me feel, but when me say me love you girl just know it's real

Know me nuh perfect, for you I try to be, you were my future, girl i wish my eyes could see

Everything you do it affects me, so when we nuh good me feel so empty

So many ways Jahjah bless me, it's not the same without you next to me

Girl a you me love, nuh other catty me nuh prefer, tell har me nah go leave and she say yeah man whatever

She say mi done make it and so much girl wah give me pleasure, but so much mean nothing if me nuh have you
girl me suffer

Cause girl a you me love, you me love, wah kind a other girl you come a tell me bout?

No, no, no girl a you me love, you me love, a nuh words alone mi actions speak loud

You're my everything, everything I need

You bring melodies, melodies I sing (I sing)

U me love (U me love)

Oh oh, oh oh

You me love(love)

You me love, oh oh oh

You me love, everything i need

You bring, melodies, melodies i sing
