Black is Black

Beverley Mitchell

Whoa, yeahI don't care what they all may think of me
And I don't care if they all disagree
I'm gonna stay true to the words
My mama taught me
And I'll carry them deep in my soulBlack is black, white is white
Wrong is wrong and right is right
Every moment compromise
Let your conscience be your guideMama said always try
With every choice
You make in your lifeWell, I know when you
Know what's right
Just follow, follow your heart
Follow your heartSometimes I want to run and hide
And just deny that voice inside
But it's never under oath
When you're standing
In my life of the truth
Nothing can get to youBlack is black, white is white
Wrong is wrong and right is right
Every moment compromise
Let your conscience be your guideWhoo, hey, yeahI don't care what they all
May think of me and I don't care
If they all may disagree
I'm gonna stay true to the words
My mama taught me
And I'll carry them deep in my soulBlack is black, white is white
Wrong is wrong and right is right
Every moment compromise
Let your conscience be your guideBlack is black, white is white
Wrong is wrong and right is right
Every moment compromise
Let your conscience be your guideBlack is black
White is white
