

# Move On

## The Rentals

et's get up and leave this town  
i just wanna go right now  
once we get outta here  
no one will notice that we disappeared

so whataya say we go right now  
get away from everyone that hangs around  
this seems so insincere  
so why dont we just leave them here  
and move on  
moooo oove on  
move on  
moooo oove on

we'll find some new place nice  
some of the city or the countryside(countryside)  
we'll make new friends in time  
we'll pack up a say good bye  
and move on  
moooo oove on  
move on  
moooo oove on  
move on

it's been six long years  
six years of hanging about without a care  
it dont matter where we go  
anywhere is better i know  
somewhere else

moooo oove on  
move on  
moooo oove on  
move on  
moooo oove on  
move on  
moooo hoove on

come on let's get away  
so far away

come on let's run away, run away  
run away today ah ah ah oh

moooo oove on

move on

moooo oove on

move on

moooo oove on

moooo hoove on

moooo hoove on

moooo hoove on
