Die Young

Kopecky

Here we go
Dressing like the young kids, still we're old
Acting like the people on the TV shows
We're never gonna die
Never gonna close our eyes
We'll take it slow
Oh - - -
Oh - - -
Oh - - -
Oh - - -
Talking like our parents more every day
Saying all the words that they used to say
Is anybody listening?
Try to keep the discipline all the same
Yeah, if were gonna grow old
We'll do it in our own way
But if we're gonna die young
We'll try to live with our mistakes
Twenty-something years is old enough
Learned a couple things
Now we're getting tough
Living on the edge
Like our parents always said
We'll be the end
This is the end
This is the end
This is the end
This is the end
Yeah, if were gonna grow old
We'll do it in our own way
But if we're gonna die young
We'll try to live with our mistakes
We can do anything we want
It all comes around
But if we're gonna die young
We'll live as if its not today
Not today
Oh, I believe
Oh, Oh, I believe

Oh, I believe
Oh, Oh, I believe
Oh, I believe
Oh, Oh, I believe
Oh, I believe
Oh, Oh, I believe
That if were gonna grow old
We'll do it in our own way
But if we're gonna die young
We'll try to live with our mistakes
We can do anything we want
It all comes around
But if we're gonna die young
We'll live as if its not today
Its not today . . .
