

I Can't Stop Loving You (Though I Try) [Live]

Leo Sayer

So youre leaving in the morning
On the early train
I could say everythings alright
I could pretend and say goodbyeGot your ticket, got your suitcase
Got your leaving smile
I could say thats the way it goes
I could pretend and you wont know that I was lyingCause I cant stop loving you
I cant stop loving you
No, I cant stop loving you
Though I tryTook a taxi to the station
Not a word was said
I saw you walk across the road
Maybe the last time, I dont knowFeeling humble, I heard a rumble
On the railway track
And when I hear the whistle blow
I walk away and you dont know that I was lyingCause I cant stop loving you
No, I cant stop loving you
I cant stop loving you
Though I tryCause I cant stop loving you
I cant stop loving you
No, I cant stop loving you
Though I try
