

# Hoodoo Voodoo

## Billy Bragg & Wilco

Hoodoo voodoo, seven, twenty-one, two  
Haystacka, hostacka, A B C  
High poker, low joker, ninety-nine to zero  
Sidewalk, streetcar, dance a goofy dance  
Black birdy, blue jay, one, two, three, four  
Trash sack, jump back, E F G  
Biggy hat, little hat, fatty man, skinny man  
Grasshopper, green snake, hold my hand  
Hoodoo voodoo, chooka chooky choo choo  
True blue, how true, kissle me now  
Momma cat, Tommy cat, diapers on my clothes line  
Two, four, six, eight, I run and hide  
Pretty girl, pretty boy, pony on a tin can  
I'll be yours, you'll be mine  
Hoodoo voodoo, chooka chooky choo choo  
True blue, how true, kissle me now  
Jinga jangler, tinga lingle, picture on a bricky wall  
Hot scamper, foamy lather, huggle me close  
Hot breeze, old cheese, slicky slacky fishy tails  
Brush my hair, kissle me some more  
Hoodoo voodoo, chooka chooky choo choo  
True blue, how true, kissle me now  
Hoodoo voodoo, chooka chooky choo choo  
True blue, how true, kissle me now, kissle me now  
Brush my hair and kissle me some more  
Kissle me some more, oh kissle me some more  
Oh oh, kissle me some more, brush my hair
