You Know I Love You

The Pigeon Detectives

Now darlin' know I love you
And love you for myself
But you're gone and left me for someone elseI think of you every morning
And dream of you every night
And I would love to be with you alwaysWhen night began to fall
I cry alone
And I wish I could hold you in my arms tonightOh, darlin' you know I love you
And love you for myself
But you're gone and left me for someone elseOh, darlin' you know I love you
And love you for myself
But you're gone and left me, baby, for someone else
