

# You Know I Love You

## The Pigeon Detectives

Now darlin' know I love you  
And love you for myself  
But you're gone and left me for someone else I think of you every morning  
And dream of you every night  
And I would love to be with you always When night began to fall  
I cry alone  
And I wish I could hold you in my arms tonight Oh, darlin' you know I love you  
And love you for myself  
But you're gone and left me for someone else Oh, darlin' you know I love you  
And love you for myself  
But you're gone and left me, baby, for someone else
