

It's Not Yr Fault

Telekinesis

it's not your fault
you wanna go back
everybody tells you
you gotta relax
take your time
don't overreact
from tokyo to taiwan
you never come back it's not too late
collect your thoughts
post em to the???
and never come back
what i see is not enough
don't you know you're all i got
i could see it in your heart
i could see it in your heart
what i fear is not enough
don't you know you're all i got
i could see it in your heart
i could see it in your heart now in your soul
you feel it too
you were meant for me and
i was meant for you
as we part
i feel it too
you could say the same thing
i could tell the truth
what i fear is not enough
don't you know you're all i got
i could see it in your heart
i could see it in your heart
what i fear is not enough
don't you know you're all i got
i could see it in your heart
i could see it in your heart now
