Gots to be a G till the day that I die
(That's right)

Gots to be a G till the day that I die
Lord, have mercy, momma done raised a real thug
Me and my daddy cool but he showed me tough love
Fifteen, I was asked out gettin' grown
By this time my old man had just moved on Momma couldn't drive so she didn't have a car
And I could still see my T lady walkin' far
Sweat on her face, purse and a grocery bag
Me and my sister shit that's all we ever had Stuck my chest out became the man of the house
Now I'm the bread winner, go get it at any cost
Flippin' burgers, washing cars and cutting yards
I graduated to cooking soft and selling hard Highschool is over with I'm on a path
To mo hoes mo dough and a new slab
I'ma B.G hard headed so fly
But I'ma gangsta and like this till I die
(Know wut I'm sayin')
Gots to be a G till the day that I die
(Brrrrrrrd)
Gots to be a G till the day that I die

Gots to be a G till the day that I dieFuck a diploma, I'm smothered in tha drawer aroma
Still on probation if I piss then I'ma gona
Catch a pistol case fo' I leave it at the crib

Welcome to Hershelwood, soldiers get it how they liveA million blocks but they all end at one road
The streets a motherfucker ride till the car explode
Niggas, lose your vests I'm taking head shots
Fuck a new story evidents and sub blocksPressure bust a pipe kept it real and stayed at it
Them old snitch niggas know the game and still ratted
I'm at the weed house wit 20 bags and 3 for ten

I had a closed mind, I wasn't listening back thenStuck in one spot trying to learn to manage money
Fuck them air jordens, the sky ain't forever sunny
Keep a full clip jackers might wanna visit
I'ma G chasin' down the same meal ticket
(Know wut I'm sayin')
(That's right)Gots to be a G till the day that I die
Gots to be a G till the day that I die
(Real talk)Gots to be a G till the day that I die
Gots to be a G till the day that I die
Gots to be a G
(O.Gs stand up)Gots to be a G
(Crones da bricks, nigga)
Gots to be a G
(I come from nothing)

(Ha, ha) Gots to be a G till the day that I die

(Hey)
