

This Is Me

Faith Hill

Yeah, I have my addictions
Keep my share of secrets
And things you'll never see, hmm
I get selfish and defensive
And pay too much attention
To my insecurities, ohh yeah
Oh, I'm just like everybody else
I'll try to love Jesus and myself, yeah yeah(This is me)
I don't know what you believe?
Or what you think of what you see?
(This is me)
But this is a part of me, yeah
But what I do? And who I am?
(This is me)
All of my impurities
Are right here on my sleeve
This is me, yeah
This is me Yes, my heart breaks for the homeless
I worry about my parents
And all my bills are late, yea eee yea I
I'm dealin' with the changes
This complicated strangeness
Of seein' life this way, hey eee yea I
I'm just like everybody else
I'll try, Lord, I'll try to love Jesus and myself
Yea yea(This is me)
I don't know what you believe?
Or what you think of what you see?
(This is me)
But this is a part of me, yeah
But what I do? And who I am?
(This is me)
All of my impurities
Are right here on my sleeve
This is me, yeah
This is me I laugh at silly movies
Tear up when I see babies
And I'm stubborn as a stone, yea eee yea I
I criticize my body

I wonder if I'm ready
To ever be alone
Oh, I'm just like everybody else
(I)
I cry, yes I cry just like everybody else, ooh(Yeah this is me)
(This is me)
I don't know what you believe?
Or what you think of what you see?
(This is me)
But this is a part of me
But what I do? And who I am?
(This is me)
All of my impurities
Are right here on my sleeve
This is me, ohh
This is me
Ohh this is me, yeah
OhhOhh this is me, yeah
I'm gonna celebrate it, I am gonna celebrate it
Don't be afraid
Who you are?
Say where, who you are?
What you do?
What you see?
Who you are?
Celebrate
Celebrate
Yeah, this is me
I'm not afraid
I'm not ashamed
This is me, yeah
