

# Tarantula (DJ TiQsto Remix)

## Faithless

Down in the shadows of your deepest secrets  
I sleep next to the precepts you hold most dear  
Your heart is in my province jour upon hour  
I shiver when you feel the cold,  
Everything you say I hear  
Like a bomb and its fuse,  
We bring bright light  
But I could be a devil to you  
I could bite like a tarantula  
Right through the skin  
And leave my poison dripping (dream)  
Deliciously Unsuspecting  
Protecting you from all harm  
Except perhaps from reasoning (these arms)  
That hold you
