Nothing Will Change

Sharon Van Etten

Maybe something will change.
Maybe something will change.Remember when you saw me on the street and then you looked in my eyes?
You helped me with the tire change.
It had been a while and I thought that you forgot about me
I never could have forgotten you.I will reach you. I will reach you.
I will meet you on your street.
I won't let you down.Maybe something will change.
Maybe something will change.A couple years later when I say you makin western moves
And pallin' by, but I still saw in you
You always believed in me and I always believed in you.
Let's not turn the page.I will meet you. I will meet you.
I will meet you on your street.
I'm not gonna let you down.I will meet you. I will meet you.
I will meet you on your street.
I'm not gonna let you down.Nothing will change.
Nothing will change.
Nothing will change.
Nothing will change.
