Rebound

Sebadoh

Heart-broken and attractive
A sad, sloppy mess
Lookin' for approval
And easily impressedBeware they say, but why would I listen?
I need to know what I've been missin'
I'm no one you can trust
All little boy lonely with curious lustConfusion turns me upside down
Lost as quickly as I'm found
But soon enough it turns around
On the reboundCall it fate or true love
Never forced romance
Fell into a new love
Maybe perfect love by chanceBeware they say, but why would I listen
When it feels this good?
No one lives their life
Doing all the things they say they shouldConfusion turns me upside down
Lost as quickly as I'm found
But soon enough it turns around
On the rebound, on the rebound
On the rebound, on the rebound
