Love Lies Dying

Strangeways

You know that I've been here before
And as I lay awake the darkness closes in
I see your face and I feel the fire
As it burns inside my soul I live againI've been down before
But I would have let you know
When your heart is weak
And my love lies dyingI'll be the one who's by your side
Before the night is over
Losing this war with my own pride
I'd die before I'd let you downTonight you know
I tried to make it right
When your heart is weak
And my love lies dyingYou knew that I wouldn't walk away
If I was half the man I used to be I could
Oh, I know it's all just another lie, yeah
And you know I'll still keep coming back
Running back to youI've been down before
And I wanna let you know
When your heart is weak
And my love lies dyingI'll be the one who's by your side
Before the night is over
Losing this war with my own pride
I'd die before I'd let you downTonight you know
I tried to make it right
When your heart is weak
And my love lies dying tonight
And your love lies dyingI'll be the one who's by your side
Before the night is over
Losing this war with my own pride
I'd die before I'd let you downI'll be the one who's by your side
Before the night is over
Losing this war with my own pride
I'd die before I'd let you downAnd your love lies dying
I'll be the one, I'll be the one
