

# Daily Planet

## A Northern Chorus

In the morning we arise and  
Start the day the same old way  
As yesterday the day before and  
All in all it's just a day like  
All the rest so do your best with  
Chewing gum and it is oh so  
Repetitious  
Waiting on the sun

Down on Go-stop Boulevard it  
Never fails to bring me down  
The sirens and the accidents and  
For a laugh there's Plastic Nancy  
She's real fancy with her children  
They'll go far, she  
Buys them toys to  
Keep in practice  
Waiting on the war

I feel shivers in my spine  
When the iceman, yes his ice is melting  
Won't be there on time  
Hope he finds a rhyme  
For his little mind

I can see you  
With no (hands) (face)  
Eyes I need you  
You're my (heart) (face)  
Look we're going round and round
