

# Into You

Tamia

I think you're truly something special  
Just what my dreams are really made of  
Let's stay together you and me boy  
There's no one like you Brown oh baby  
Babygirl  
Desert Storm  
I can't really explain it, I'm so into you now  
I wanna be more than a friend to you now  
When they ask, I mention my baby girl in the interviews now  
And I don't bring the problems from the 90s and the 2 thou'  
Theres no reason to have a friend or two now  
'Cuz the kids ready to tell you how he feel and a few vows  
Maybe, I speak in general now  
But girl, I'm a do whatever just to keep a grin on you now  
Where I roll, they wear bikinis in the winter too now  
What you think about tan lines on the skin of you now?  
Why wouldn't I wanna spend a few thou'  
On Fifth Ave, shopping sprees and them dinners to chow  
I ain't concerned with other men with you now  
As long as when I slide up in you, you growl  
And any dude with you, he better be a king to you now  
And I ain't jealous, its the principle now I'm so into you  
I really like what you've done to me  
I can't really explain it, I'm so into you  
I really like what you've done to me  
I can't really explain it, I'm so into you  
Come on ma, it's more than a flashing  
I would've traded it all in orderly fashion  
My billa in Florida we crashing  
Just off the shore so you can hear  
When the water be splashing  
The Drop top 3 in the quota we dashing  
Flawless diamonds in the water we flashing the money  
We oughta be stashing I make sure ever quarter be cashed in  
I cant really explain it, my friends be thinking I'm slipping  
These girls be thinking I'm tripping, what kinda weed you be smoking  
What typ'a drinks you be sipping, sweet thing just to think of you dipping  
Would have me with the blue so hard  
You would think I was crimping, now you relaxing in the Benz

Credit cards are no limits, so you don't worry about maxing  
When you spends but since you've been asking about the friends  
How'd you like it if both our names had Jackson on the ends  
I really like what you've done to me  
I can't really explain it, I'm so into you  
I really like what you've done to me  
I can't really explain it, I'm so into you  
I don't wanna trip, but the truth is girl the way you cook a steak  
Remind me of them trips to Roofchris  
You love my smile, no matter how chipped my tooth is  
With you it ain't because my whips is ruthless  
So sit on chrome, dip the deuces  
And you ain't flattered by Canarys and VS Dip Tay sauces  
All the ballers look dumb when they press you  
Five and sixes, you don't let them kinda number's impress you  
Even though I was so unsuccessful yeah  
Being a player was becoming too stressful  
But ever since, this Superwoman has come to my rescue  
My winters been wonderful, my summers been special  
That's why the same bar while the villa been painted  
Just so we can really get acquainted  
The love is real  
There's no way you can feel like its tainted  
But I can't really explain it, yeah  
I really like what you've done to me  
I can't really explain it I'm so into you  
I really like what you've done to me
