

Pas De Cheval

Panic! at the Disco

Oh, little did she know
Couldn't let me go
Already a part of her So, often do I need
People in between
That just can't get a hold of it So we'll just sing it for them
Ah
Yeah, we'll just sing it for them
(Just can't get a hold of it)
So we'll just sing it for them
Ah
Yeah, we'll just sing it It's the greatest thing that's yet to have happened
Imagine knowing me
It's the greatest thing you'd ever imagine
But you'll never know until you're there
No, you'll never know until you're there Slow, leave walking to the world
Give your feet a chance They'll do all the thinking
Toast, high until they find
Less pathetic wine
Until they get a better blend And we'll just drink it for them
Ah
Yeah we'll just drink it for them
(Until they get a better plan)
So we'll just drink it for them
Yeah we'll just drink it It's the greatest thing that's yet to have happened
Imagine knowing me
It's the greatest thing you'd ever imagine
But you'll never know until you're there
No, you'll never know until you're there It's the greatest thing that's yet to have happened
Imagine knowing me
It's the greatest thing you'd ever imagine
But you'll never know until you're there
No, you'll never know until you're there No, you'll never know until you're there
