Still Alive (Benny Benassi Mix)

Lisa Miskovsky

I have changed
I have changed
Just like you
Just like youFor how long?
For how long must I wait?
I know there's something wrongYour concrete heart isn't beating
And you've tried to
Make it come aliveNo shadows
Just red lights
Now I'm here to rescue you, oh oh...Oh I'm still alive
I'm still alive
I cannot apologize, no oh ohOh I'm still alive
I'm still alive
I cannot apologize, no oh ohSo silent
No violence
But inside my head
So loud and clearYour screaming
Your screaming
Covered up with a smile I've learned to fearJust sunshine
And blue sky
Is this all we get for living here?Come fire
Come fire
Let it burn and love come racing throughOh I'm still alive
I'm still alive
I cannot apologize, no oh ohI'm still alive
I'm still alive
I cannot apologize, no oh ohI've learned to lose
I've learned to win
I've turned my face against the windI will move fast
I will move slow
Take me where I have to goOh I'm still alive
I'm still alive
I cannot apologize, no oh ohOh I'm still alive
I'm still alive
I cannot apologize, no oh oh
