

# Higher Ground

## Missy 'misdemeanor' Elliott

I'm moving on can't nothing stop me now  
I'm pressing on to higher ground  
Each step I take is the new dawning of  
A brand new day for higher ground Obstacles and situations, people, places and things  
I must overcome for there's a battle to be won  
With my mind set on higher things  
These things have become my footstool  
I'm determined to reach my goal I need peace for my soul, oh I'm moving on can't nothing stop me now  
I'm pressing on to higher ground  
Each step I take is the new dawning of  
A brand new day for higher ground I'm pressing on the upward way  
Brand new heights I'm gaining everyday  
No higher place that I really have found  
Lord, plant my feet on higher ground  
Forgetting what is already behind me  
I'm moving forward for what's ahead I'm moving on can't nothing stop me now  
I'm pressing on to higher ground  
Each step I take is the new dawning of  
A brand new day for higher ground The race is not given to the swift  
Nor the battle to the strong  
But it's to the one that endureth  
But we gotta stand strong and fight on Sometimes you feel like your foot might slip  
'Cause there's too much going on  
Just realize your goal is greater than your struggle  
Hold on and be strong I'm moving on can't nothing stop me now  
I'm pressing on to higher ground  
Each step I take is the new dawning of  
A brand new day for higher ground I'm moving on can't nothing stop me now  
I'm pressing on to higher ground  
Each step I take is the new dawning of  
A brand new day for higher ground Be strong and fight on but by all means keep moving on  
I'm a witness, I'm a witness  
For Jesus, nobody but Jesus  
When I was down and no one was there  
He picked me up and He carried me, He carried me I'm a witness, I'm a witness  
For Jesus, nobody but Jesus  
When I was down and no one was there  
He picked me up and He carried me, He carried me
