

Bound For Glory

Chained

Risen saviour, holy son
Bound for glory I've become
Drainen from sin, He made me clean
I need to tell you just what it means
Bound for glory, I'll be free
You are the holy trinity
Through His blood I've been set free
Bound for glory you and me
By His grace and loving hand
I am heading for the promised land
Bound for glory, I'll be free
You are the holy trinity
Bound for glory, I'll be free
You are the holy trinity
Bound for glory, I'll be free
You are the holy trinity
