All in My Head

Kosheen

I wonder why
You act so fly
When you try
So hard to try
To try to try to try
I see the sky
Is open wide
Take a look inside
It's wild like a child
It's free, come onIt's all in my head
It's all in my headUs only, it's only you and me
Wherever you go I will be
Just close your eyes and you'll see
And wherever you go I will beOn the other side
Of life we glide
Got our pride
Standing tall
In the sun
Are we flying high
Spinning in our time
Living life and loving free
This is where
I want to be, come onIt's all in my head
It's all in my headUs only, it's only you and me
Wherever you go I will be
Just close your eyes and you'll see
And wherever you go I will beIt's all in
My head
It's all in
My headUs only, it's only you and me
Wherever you go I will be
Just close your eyes and you'll see
And wherever you go I will be
