Believe

The Bravery

The faces all around me they don't smile they just crack
Waiting for our ship to come but our ships not coming back
We do have time like pennies in a jar
What are we saving for
What are we saving for

There's a smell of stale feeling that's drinking from my skins
The drinking never stops because the drink off all our sins
We sit and throw our roots into the floor
What are we waiting for
What are we waiting for

[Chorus:]
So give me something to believe
'Cause I am living just to breathe
And I need something more
To keep on breathing for
So give me something to believe

Something's always coming you can hear it in the ground
It swells into the air
With the rising
Rising sound
And never comes but shakes the boards and rattles all the doors
What are we waiting for
What are we waiting for

[Chorus]

I am hiding from some beast
But the beast was always here
Watching without eyes
Because the beast is just my fear
That I am just nothing
Now its just what I've become
What am I waiting for
Its already done

Oh

[Chorus]

And I need something more
To keep on breathing for
So give me something to believe
