

# Flex That X

Lenny Cooper

flex that x x x x flex that x x x x flex that x x x x flex that x x x x  
if we gonna do it we gonna do it bit monster x trucks yeah thats how we live it  
1500 horses 10000 pounds 66 inch tires crushing cars through the ground  
crushing cars through the ground flex crushing cars through the ground flex  
crushing cars through the ground flex crushing cars through the ground  
grand stands screamin this place is packed out horsepower maxx'd out full power no backin out  
better have them earplugs when the engines crank loud four wheel rockstars bout to tear this  
thing down  
spinnin like a cyclone equipped with rough country twisted metal wars on its about to get bumpy  
yeah we bout to light em up monster truck mafia best in the business cant be touched lets strap  
in and turn it up turn it up lets strap in and turn it up turn it up lets strap in and turn it up  
lets strap in and turn it up turn it up lets strap in and turn it up  
flex flex flex flex flex flex flex flex flex flex flex flex flex that x x x x flex that x x x x flex that x x x x  
flex that x x x x  
if we gonna do it we gonna do it big monster x trucks thats how we live it  
1500 horses ten thousand pounds 66 inch tires crushing cars through the ground crushing cars  
through the ground flex crushing cars through the ground flex crushing cars through the ground  
flex crushing cars through the ground
