

# Born Slippy (Melokolektiv remix)

## Underworld

Drive boy dog boy  
Dirty numb angel boy  
In the doorway boy  
She was a lipstick boy  
She was a beautiful boy  
And tears boy  
And all in your inner space boy  
You had  
hand girls boy  
and steel boy  
You had chemicals boy  
I've grown so close to you  
Boy and you just grown boy  
She said come over come over  
She smiled at you boy Drive boy dog boy  
Dirty numb angel boy  
In the doorway boy  
She was a lipstick boy  
She was a beautiful boy  
And tears boy  
And all in your innerspace boy  
You had  
hand girls boy  
and steel boy  
You had chemicals boy  
I've grown so close to you  
Boy and you just grown boy  
She said come over come over  
She smiled at you boy Let your feelings slip boy  
But never your mask boy  
Random blonde bio high density rhythm  
Blonde boy blonde country blonde high density  
You are my drug boy  
You're real boy  
Speak to me and boy dog  
Dirty numb cracking boy  
You get wet boy  
Big big time boy  
Acid bear boy

Babes and babes and babes and babes and babes

And remembering nothing boy

You like my tin horn boy and get

Wet like an angel

Derail You got a velvet mouth

You're so succulent and beautiful

Shimmering and dirty

Wonderful and hot times

On your telephone line

And god and everything

On your telephone

And in walk an angel
