Gambit Rogue Delight

Sylar

Kick it!
Mic Check
It started back in the day
The most irrational days
When I was walking your way
After that night
Didn't take too long for me to know
Nah, nah
A simple look in your eyes
It drove me crazy inside
I know you feel the same
But you just seem ashamed
Let's kick the past
Kick it, kick it, kick it, kick it
Push me away, push me away
When all I see is that look in your eyes
They're filled with regret
Mistakes that you've made
Hear me out cause I gotta say one thing
Forget the rest, it's just you and me
It's in the way you say my name
It's in the way you let me in your skin
I watch you break yourself to pieces
Won't you love me like I would?
We started out far
But then we got so close
You're always on my mind
But little did you know
Even if you're gone
I'll always hold you close
No matter what they say
I'm only here to stay
I know you feel the same
But you just seem ashamed
Let's kick the past
Kick it, kick it, kick it, kick it
Love me like I would
Like I would!
Like I would! Yeah

It's in the way you say my name
It's in the way you let me in your skin
It's in the way you say my name
You got me weak at the knees, the moment's starting to fade
It's in the way you let me in your skin
Isn't this just what you wanted?
I watch you break yourself to pieces
Won't you love me like I would?
Love me like I would
