

# Why Do You Love Me?

## Garbage

I'm no Barbie doll  
I'm not your baby girl  
So I've done ugly things and I have made mistakes  
And I am not as pretty as those girls in magazines  
I am rotten to my core if they're to be believed  
So what if I'm no baby bird hanging upon your every word?  
Nothing ever smells of roses that rises out of mud  
Why do you love me  
Why do you love me it's driving me crazy  
Why do you love me  
Why do you love me  
Why do you love me it's driving me crazy  
Why do you love me  
Why do you love me  
Why do you love me it's driving me crazy  
Why do you love me  
Why do you love me  
You're not some baby boy  
Why you acting so surprised  
You're sick of all the rules  
Well I'm sick of all your lies  
Now I've held back a wealth of shit I think I'm gonna choke  
I'm standing in the shadows with the words stuck in my throat  
Does it really come as a surprise when I tell you I don't feel good?  
That nothing ever came from nothing man  
Oh man ain't that the truth  
Why do you love me  
Why do you love me  
Why do you love me it's driving me crazy  
Why do you love me  
Why do you love me  
Why do you love me  
Why do you love me it's driving me crazy  
Why do you love me  
Why do you love me  
Why do you love me it's driving me crazy  
Why do you love me  
Why do you love me  
I get back up and I do it again  
I get back up and I do it again  
I get back up and I do it again  
I get back up and I do it, I do it again  
I think you're sleeping with a friend of mine

I have no proof but I think that I'm right  
And you've still got the most beautiful face  
It just makes me sad most of the time I get back up and I do it again  
I get back up and I do it again  
I get back up and I do it again  
I get back up and I do it, I do it again  
I do it again  
I do it again  
I do it again Why do you love me  
Why do you love me  
Why do you love me it's driving me crazy  
Why do you love me  
Why do you love me  
Why do you love me it's driving me crazy  
Why do you love me  
Why do you love me  
Why do you love me  
Why do you love me
