

Intro

Amy Winehouse

You should be stronger than me
You been here 7 years longer than me
Don't you know you supposed to be the man,
Not pal in comparison to who you think I am, You always wanna talk it through - I don't care!
I always have to comfort you when I'm there
But that's what I need you to do - stroke my hair!'cause' I've forgotten all of young love's joy,
Feel like a lady, but you my lady boy, You should be stronger than me,
But instead you're longer than frozen turkey,
Why'd you always put me in control?
All I need is for my man to live up to his role,
Always wanna talk it through- I'm ok,
Always have to comfort you every day,
But that's what I need you to do - are you gay? I've forgotten all of young love's joy
Feel like a lady, but you my lady boy He said 'the respect I made you earn -
Thought you had so many lessons to learn'
I said 'You don't know what love is - get a grip!' -
Sounds as if you're reading from some other tired script I'm not gonna meet your mother anytime
I just wanna rip your body over mine
So tell me why you think that's a crime I've forgotten all of young love's joy
Feel like a lady, but you my lady boy
