

We Should Get Together

The Artful Dodger

We should get together
We should get together
Take anything you want boy cause you know that
There won't be a second time
Take everything you can girl
Cause a love like this
So real is hard to find

[Bridge]
Take anything you want
Take everything you need
Cause it's time for understanding

If a love is in your heart
Then it's really time to start
And I've got to let you know

[Chorus]
We should get together
Stay this way forever
Echos in my mind
You and me combined

We should get together
want to last forever
Taking back what's mine
Love is gonna shine

[Chorus]
We should get together
(Gonna shine) [Repeat: x3]
We should get together
(Gonna shine) [Repeat: x3]

Just think about the last night
Cause the future is a light
That shines for you
Don't worry 'bout the answers
Holding on to what you've got

Is all you should do

[Bridge]

[Chorus: x2]

We should get together
(Gonna shine) [Repeat: x3]

We should get together
(Gonna shine) [Repeat: x3]

[Repeat: x2]
Take it or leave it
You gotta believe it
Take it or leave it
It's all up to you

[Chorus: x2]

[Repeat: x2]
We should get together
(Gonna shine) [Repeat: x3]
We should get together
(Gonna shine) [Repeat: x3]
