You're Beautiful

Paul Wright

The world is watching us from a distance
Wanting more from their own existence
Tell me how do we make a difference for eternity
Does anybody want to know why we're alive?Oh oh oh oh
What's the purpose of this life?
Oh oh oh ohBefore I die and I leave the world behind
And I don't want to know why I'm alive?You're created for the creator to live inside
There's a hole in Your soul and I know that You try
To fill it with every little thing but the very one who can heal it
And bring hope to a world that wants to know why they're aliveOh oh oh oh
What's the purpose of this life?
Oh oh oh ohBefore I die and I leave the world behind
And I don't want to know why I'm alive?Spirit cry for this generation
We're chasing the wind trying to embrace it
Open our eyes to all the lies that we try to justify
When deep down inside all we want to find
Is someone that loves us all of the time and it's YouYeah it's You oh oh only You
Yeah it's You oh oh oh
You're beautiful came down from Heaven
Just to save my save my soul
Beautiful oh oh oh oh oh
You're so beautifulThe people of this world are praising You
And they are beautiful oh oh oh oh
You're so beautiful came down from Heaven
Just save my soul
Beautiful oh oh oh oh oh
Now I am beautiful
You've made me so beautiful
