

# Fantastic Voyage

David Bowie

In the event that this fantastic voyage  
Should turn to erosion and we never get old Remember it's true, dignity is valuable  
But our lives are valuable too We're learning to live with somebody's depression  
And I don't want to live with somebody's depression  
We'll get by, I suppose It's a very modern world but nobody's perfect  
It's a moving world but that's no reason To shoot some of those missiles  
Think of us as fatherless scum, it won't be forgotten  
'Cos we'll never say anything nice again, will we? And the wrong words make you listen  
In this criminal world Remember it's true, loyalty is valuable  
But our lives are valuable too We're learning to live with somebody's depression  
And I don't want to live with somebody's depression  
We'll get by, I suppose But any sudden movement, I've got to write it down  
They wipe out an entire race and I've got to write it down But I'm still getting educated but I've got to write it  
down  
And it won't be forgotten  
'Cos I'll never say anything nice again, how can I?
