

You're Gonna Miss Me

Connie Francis

One kiss, one little sigh
That's all you gave me
When you said goodbye
But someday, baby, someday, darling
You're gonna miss me
Long gone is your caress
And with it all my happiness
But someday, baby, someday, darling
You're gonna miss me
Oh, oh, oh, yes
One of these nights
You'll wake up crying
But I won't be there to comfort you
You'll turn on the light
But you'll go on crying
'Cause only my true love
Can chase away your blues
Oh, yes, you're gonna learn
I'm not the only one
Whose heart will burn
'Cause someday, baby, someday, darling
You're gonna miss me
Miss me, miss me, miss me
Someday, baby, someday, darling
You're gonna miss me
Oh, oh, oh, oh, oh, yeah
