

# The Last Song

JLS

What am I gonna do when the last song's over? I was out with my lonely heart  
First a movie and then to a new club  
I wasn't planning on staying out long  
But then this girl from my dreams just started smiling at me  
Went up to say hello, said hi in stereo  
She whispered in my ear, "Hey there, Romeo"  
No, no, no, we dance more, we're on the dance floor  
She's making me feel like no one else before  
Hey, Mr. DJ, I can't see straight  
What am I gonna do when the last song's over?  
Sorry, Mr. DJ, hey, excuse me  
What am I gonna do 'cause I can't let go of her? What am I gonna do when the last song's over?  
Now here's a chance that I cannot miss  
I never thought I'd get lucky like this  
But I only got one shot, I gotta show what I got  
What am I supposed to do? I don't want to be a fool  
Hey, DJ, help me out 'cause I am so confused  
You see this every night, before they hit the light  
Give me a chance, one more dance, can you press rewind? Hey, Mr. DJ, I'm feeling dizzy  
What am I gonna do when the last song's over?  
Sorry, Mr. DJ, I know you're busy  
What am I gonna do 'cause I can't let go of her? (What am I gonna do? Just tell me what to do)  
What am I gonna do when the last song's over?  
(Said what am I gonna do? I can't let go of you)  
What am I gonna do when the last song's over? And I know it's getting late, feels like I'm pushing fate  
The clock is ticking, baby, time won't hesitate  
This is the last chance, we got the last dance  
I'll know for sure if this is more than a romance  
Hey, Mr. DJ, I can't see straight  
What am I gonna do when the last song's over?  
Sorry, Mr. DJ, hey, excuse me  
What am I gonna do 'cause I can't let go of her? Hey, Mr. DJ, I'm feeling dizzy  
What am I gonna do when the last song's over?  
Sorry, Mr. DJ, I know you're busy  
What am I gonna do 'cause I can't let go of her? (What am I gonna do? Just tell me what to do)  
(Please play one more song)  
What am I gonna do when the last song's over?  
(Said what am I gonna do? I can't let go of you)  
(What am I gonna do?)  
What am I gonna do when the last song's over? Hey, Mr. DJ, can you hear me?  
What am I gonna do when the last song's over?  
Sorry, Mr. DJ, did you hear me?  
Tell me what to do now that last song's over?
