Animals

Nabiha

I'm just busy dancing
I'm the boss man, I'm the head of the committee
Lay the love dong, got the keys to the city
Looking so sharp, I come like a machete
Done 12 rounds and I still look prettyB-O-S-S M-A-N, listen to me now
I'mma spell it out again
B-O-S-S M-A-N, like what you see
Come around, you're my friend
I'm just busy dancingI like it loud and I like it raw
Hey pretties, what you're waiting for?
Run wild like animals
Turn it up till it overloads
I wanna feel those speakers blow
Run wild like animals
And we gonna start a riot
A riot
Yeah, we gonna start a riot tonight
I like it loud and I like it raw
Hey pretties, what you're waiting for?
Run wild like animals
I'm just busy dancingI'mma get down, and get gitty
Bring your A game 'cause the beat get sicky
See the golden ticking now
Gimme, gimme, gimmeRipping it and jacking it
30 Fingers grabbing it
I'mma razzle dazzle it
On my prettiest driving shit
I get you popping, make your body go apeI'm just busy dancingI like it loud and I like it raw
Hey pretties, what you're waiting for?
Run wild like animals
Turn it up till it overloads
I wanna feel those speakers blow
Run wild like animals
And we gonna start a riot
A riot
Yeah, we gonna start a riot tonight
I like it loud and I like it raw
Hey pretties, what you're waiting for?
Run wild like animals

I'm just busy dancing
