Conversation on a Barstool

Marianne Faithfull

I'm tired, so tired, I can hardly stand
I can't breathe in the air in this city tonight
It's taken everything I had to give
And now I just wanna get out of hereBut I won't be sorry if you won't be
And I don't want your pity or your sympathy
But for forty-five dollars I can make it
You wait and seeBut I won't be sorry if you won't be
And I don't want your pity or your sympathy
But for forty-five dollars I can make it
You wait and seeIt's not as if I was just anybody
On Broadway I danced for that Senator
They know me in London and they know me in Paris
I'm only talkin' 'cause you looked like you needed a friend
