

Anti Socialistic

Slightly Stoopid

hey hey hey hey hey hey hey hey
what it isn't what you get and
taking time out to regret the antisocialisticist
gonna _____
smoke comin' over me
and smoke that's comin' out of me
but i don't want this smoke
taking over me _____
hey hey hey hey hey hey hey hey
time again is wasted drinkin' 40's from the liquor store
and grab a hold of what you can and _____
and smoke that's comin' out of me
but i dont want this smoke
taking over me _____
say something to me, it don't mean i want you
say something to me, it don't mean i need you
say something to me, it don't mean i got you
say something to me, it don't mean i got to
hey hey hey hey hey hey hey hey
what it isn't what you get and
taking to regret the antisocialisticist
gonna _____
smoke comin' over me
and smoke that's comin out of me
but i don't want this smoke
taking over me _____
say something to me it don't mean i want you
say something to me it don't mean i need you
say something to me it don't mean i got you
say something to me it don't mean i had to
say something to me it don't mean i got to
say something to me it don't mean i had to
say something to me it don't mean i want you
say something to me it don't mean i need you
say something to me it don't mean i want you
say something to me it don't mean i need you
say something to me it don't mean i got you
say something to me it don't mean i had to
