Once Before

Lewis Watson

If you want, I could say your name.
Hold our breath, so we?ll feel again.
I don?t know if I could sacrifice; the weeks that I spent,
Holding on by a single thread.
But I?ve been spending all sleepless nights,
On the floor.
And now I don?t even close my eyes,
Anymore.
And I don?t want it to happen twice;
Cause we?ve been here once before.
It was you, said it all went wrong.
Well we were just fine yesterday,
Now today you?re gone.
But now in a second glance,

You only need a second chance,
But I can?t.
I?m afraid that I?m not that strong.
But I?ve been spending all sleepless nights,
On the floor.
And now I don?t even close my eyes,
Anymore.
And I don?t want it to happen twice;
Cause we?ve been here once before.
But I?ve been spending all sleepless nights,
On the floor.
And now I don?t even close my eyes,
Anymore.
And I don?t want it to happen twice:
Cause we?ve been here once before.
