Big God

Diamond Rugs

You push me right out my hometown
Thank big god he had time to look down
And I've
Read your words
And I
Read some worse
But it hurts, to watch
What you love, so much
It hurts, to watch
What you love, so much
I was blind to time as time can be
Open eyes don't always mean they see
And I've
Read your words
And I
Read some worse
But it hurts, to watch
What you love, so much
It hurts, to watch
What you love, so much
You handed me an avalanche
Encouraged it to manifest
It won't be long 'til I'm allowed
To pay it back, it's all worthwhile
Well it hurts, to watch
What you love, so much
It hurts, to watch
What you love, so much
It hurts, to watch
What you love, so much
and it (false start at 2:16)
