

Crawl Through Knives

In Flames

The black hole, forever mine.
I need fear
Push me out
Ohh be brave
Show me signs
Should I feel shame for the questions that I have If you could be
The things I need.
(I'll crawl through knives
An inch per tear)
These knees, they bleed for you
(Let the color persuade the hate that you fear) Feed the lie.
Force the reason.
Leave me in doubt.
Need some motivation [Chorus:]
It's in my hands.
The sky, so bright
It's burning.
It's for me to decide
If flames will reach heaven tonight.
It's in my hands. Nailed to the floor
Paralyzed
Emotions drifting
Searching the new If you could be
The things I need.
(I'll crawl through knives
An inch per tear)
These knees, they bleed for you.
(Let the colour persuade the hate that you fear) [Chorus x4]
