

# Sodomized

## Hypocrisy

dreaming in eternity  
? time warp  
the blood is ?  
your life has just begun  
?  
you can make it so  
struggling for your life  
my life it can't resist  
? your life  
? the knifedeath of holyness  
sodomized for the rituals  
agents of the blind  
a realm forgotten  
? the knifeblinded by the pain  
drowning in blood  
summon the demons  
evil god  
staring through the eyes of death  
when you will ?  
sacrifice the life  
gainig eternitydreaming in eternity  
? the one  
the blood is ?  
you never get home  
the pain got twisted in your flesh  
your life ends here  
? the knife
