

# If I Let You Go

Westlife

Day after day, time pass away  
And I just can't get you off my mind  
Nobody knows I hide it inside  
I keep on searching but I cant findThe courage to show to letting you know  
I've never felt so much love before  
And once again I'm thinking about  
Taking the easy way outBut if I let you go, I will never know  
What my life would be holding you close to me  
Will I ever see you smiling back at me?  
How will I know if I let you go?Night after night I hear my self say  
Why can't this feeling just fade away?  
There's no one like you, you speak to my heart  
Its such a shame we're worlds apartI'm too shy to ask, I'm too proud to lose  
But sooner or later I've got to choose  
And once again I'm thinking about  
Taking the easy way outBut if I let you go I will never know  
What my life would be holding you close to me  
Will I ever see you smiling back at me?  
How will I know if I let you go?  
If I let you go, oh babyOnce again I'm thinking about  
Taking the easy way outBut if I let you go I will never know  
What my life would be holding you close to me close to me  
Will I ever see you smiling back at me?  
How will I know if I let you go ?But if I let you go I will never know  
Will I ever see you smiling back at me?  
How will I know if I let you go?  
If I let you go
