Mirage

Doro Pesch

Every time I see your face
I see the light
Every time I call your name
I know it ain't right
I'm on the run again
Don't know if I could ever make you see
Maybe I feel no pain
But I need you to keep me company
All through the night
You're all I need
Through the night
CHORUS
Oh I can't believe it
You're just a mirage
Must be dreamin'
I can't get you out of my mind
I begin and end my nights with you
I'm under your spell
You bare my flesh, you strip my soul
Maybe you can tell

I hear your voice, I see your face
But I need you
To keep me company
All through the night
I dream of lovin' you
Through the night
Don't know what to do
I'm dreamin' of you
I'm dreamin' of you
CHORUS
You're just a mirage
Can't stop dreamin'
I can't get you out of my mind
I can't believe it
You're just a mirage
Must be dreamin'
I can't get you out of my mind
